

CONGRATULATIONS to the Director and staff of SIAP on your 40th anniversary!!!!

The Government of Maldives would like to thank SIAP for its continuous assistance in the training and development of our statistical staff, since the beginning of 1980s.

We would like to express our deep appreciation for the valuable contributions of SIAP in strengthening the statistical capacity of Maldives through its various training programs. These trainings have provided the much-needed skills to our statistical staff and served as a catalyst in their desire to pursue higher studies and be of service in the field of Statistics. The SIAP alumni of Maldives talk very highly of your trainings.

SIAP training courses are of enormous importance and contribute a lot to countries like Maldives, with limited training facilities. We wish SIAP every success in the years to come.
