Dear Ms. Davaasuren Chultemjamts,

On behalf of the Statistical Centre of Iran (SCI), it is my great pleasure to congratulate you and all your hard –working colleagues in the Institute on the occasion of the 40th Anniversary of the Statistical Institute for Asia and the Pacific.

We appreciate your forty- year sincere and honest efforts for statistical capacity building in Asia and the Pacific region which have been invaluable assistances to all NSO's in the region.

Since SIAP's establishment, the Statistical Centre of Iran has tried to greatly benefit from training courses, workshops and meetings organized by the Institute .The SCI has also made attempts to be a partner for SIAP in holding training courses for the region's countries (Outreach Programme). Here, we express our readiness for continuing this contribution.

We wish the SIAP many decades of fruitful statistical activities in the region and anticipate further expansion of our bilateral cooperation in future.

Sincerely ,

Adel Azar

Head, Statistical Centre of Iran
