This is the best time to express our appreciation to SIAP for long-time excellent work in the region. Three years ago we celebrated 60<sup>th</sup> anniversary of ESCAP and noticed great achievements of the Commission. SIAP is important part of it and big contribution of the Institute to building of statistical capacity in the region is obvious. Numerous training courses of the Institute were always very helpful for countries. The variety of themes is impressive, professionalism of lecturers is very high. Let me compliment all staff of SIAP for their excellent job. We also appreciate last endeavors of SIAP in organizing courses Russian-speaking countries. This is very important for us and we will do our best to help SIAP in continuing such practice.
