# Monitoring National Development Plans

## National Development Plan

- 7<sup>th</sup> FYP coincides with the **final year of MDGs** and the launch of UN's post-2015 **Sustainable Development Goals (SDGs)**
- The **development approach** underlying the **7<sup>th</sup> Plan is consistent** with the **global agenda for higher growth** in developing countries with appropriate measures for **protection of the environment**.
- **Eradication of extreme poverty** will be a cardinal principle of the strategies laid out in the **7<sup>th</sup> FYP** document.
- Plan will strive for **just, equitable and inclusive economic growth**, gender equality and social development while protecting the environment.
- **7<sup>th</sup> FYP Targeted 7.4% GDP growth** p.a. synchronizes with **SDGs suggested attaining above 7% growth** by least developed countries
- Finally, 7<sup>th</sup> Plan will create the **base of implementing SDGs by 2030** (including two more Five Year Plans)

## Activities initiated by the Inter-ministerial committee for SDG monitoring

### 1) SDG Mapping of Ministries/Divisions

- GED has already done the Mapping of Ministries/Divisions by SDGs targets (who to do what in terms of targets)
- GED has shared the Draft Mapping with all the ministries/divisions in January 2016 for comments and observations.
- Drafted the SDG Mapping in the Action Plan Format by aligning with the ministries/divisions observations prudently.
- The draft Mapping and Action Plan Format was presented in a consultation meeting chaired by Hon'ble Planning Minister on March 2016.
- A workshop on SDG Mapping held on April 2016 to review the draft.
- In May 2016 final observations were incorporated, and we now come-up with a final draft of Mapping of targets for final approval.

### 2) Monitoring of the SDGs Implementation in Bangladesh

- A preliminary **data gap analysis** for monitoring SDGs is already conducted by GED, Planning Commission on May, 2016.
- GED has consulted with data generating relevant ministries/division and agencies, including SID and BBS
- Data Gap Analysis found that data on 63 indicators only are available in existing data generating system of Bangladesh and 67 can be generated by modifying existing census (from aggregation to disaggregation), survey, MIS etc.
- Additional 108 indicators will require new survey or census to generate information.
- Including BBS, the national statistics agency, several major agencies, i.e. DoE, DOF etc. will require special support for dealing with new types of data collection/mining in segregated form with various dimensions say by age, sex, regional locations etc.

### 3) Need Assessment and Financing Requirement for SDGs Implementation and Monitoring

- **Implementation of SDG** through national plans, i.e. **7<sup>th</sup>, 8<sup>th</sup> and 9<sup>th</sup> Five Year Plan** will call for primary Needs Assessment and consequent Financing Strategy
- Thematic and **goal wise consultation with stakeholders** from private sector along with Ministry/Division and Agency level will be a pre-requisite for Needs Assessment
- **Regional and global partnership** will be required for
  - SDG Needs Assessment and Financing and
  - Preparing sector action plans
  - Future **technical support** for SDG monitoring and reporting
  - Stocktaking of best practices and innovations in implementation

## Future Plan of Action

### Co-ordination Mechanism and Work Plan

- Preparation of the SDGs Implementation Action Plan in a phased manner for coming one decade and a half by Ministries is under process in Planning Commission of Bangladesh and planned to be finalized by August, 2016.
- As the 7th FYP is the means of implementation of SDG targets in Bangladesh, Ministries/Divisions are identifying the Actions/Activities/Interventions to achieve the SDG targets in accordance with 7th FYP for the next five years.
- Further, Ministries/Divisions will comply with the Action Plans by preparing possible actions/interventions during and beyond 7th FYP till 2030.

## Future Plan of Action

- General Economics Division, Planning Commission in collaboration with United Nations Resident Coordinator (UNRC) in Bangladesh has organized dialogues with the NGOs, CSOs, Development Partners and Media to ensure private sector involvement in SDGs implementation.
- Development Partners of Bangladesh also have been requested to align their Country Strategies within the framework of the SDGs targets relevant for Bangladesh.
- Thematic and goal wise consultation with stakeholders from private sector along with Development Partners at a large scale will be carried out regarding Action Plans and development of Monitoring Framework.
- Action Plan will be finalized by consulting with all the relevant Ministries/Divisions.
