

Session 2.7- Group activity

Discussion points:

- 1) What is the size of informal economy in your country?
(*explain your choices for measure of size*)
- 2) Identify parts of informal economy NOT captured in your country's macro-economic statistics
- 3) What are sources of data available?
- 4) What data collection procedures have to be introduced to capture those information?

Discussion time: one hour

Presentation: 5 minutes per group
