Regional Course on Communication and Advocacy for Agricultural and Rural Statistics

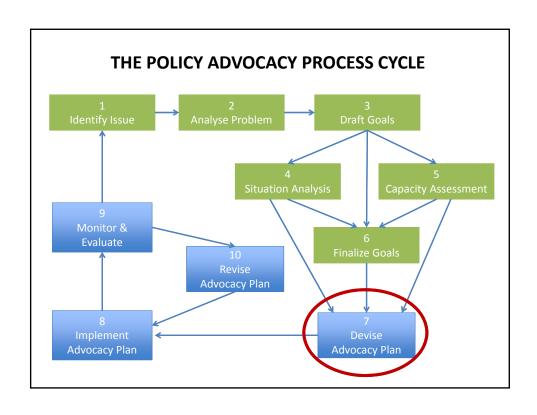

20 – 24 April 2015 Beijing, China

Advocacy Strategy: A 10-Part Framework

 List the components of an advocacy strategy

10-Part Advocacy Strategy Framework

- 1. What is the <u>issue</u> you want to advocate for?
- 2. What is your advocacy goal?
- 3. Who are the <u>decision-makers</u> and the <u>people who influence</u> the decision-makers?
- 4. What are the key <u>interests of your target decision-makers</u>?
- 5. Who might resist your goal, or what obstacles might you face?
- 6. What are your <u>assets and gaps</u> for conducting advocacy activities?
- 7. Who might you <u>partner</u> with to help your reach your goal?
- 8. What tactics might you use to reach your goal?
- 9. What <u>messages</u> will you develop to persuade your target decision-makers towards your goal?
- 10. What is your plan to measure success?
