Report of the Household-based Livestock and Poultry Survey 2009

October 2010

**Bangladesh Bureau of Statistics
Statistics Division
Ministry of Planning
Government of the People's Republic of Bangladesh**

Key Findings of the Survey

(Figure: '000')

Item	Weighted Figures
1.Total number of household	28712
2. Household reporting cattle	10399
Percent of total household	36.22
Number of cattle	26828
Number of male cattle	11021
Number of female cattle	15806
Average price per cattle (Tk.)	12078
Household having working cattle	1570
Percent of total household	5.47
Number of working cattle	2720
Average price per working cattle (Tk.)	16344
Household engaged in fattening cattle	965
Percent of total household	3.36
Number of fattened cattle	1241
Average price per fattened cattle (Tk.)	15694
Household having milking cattle	3713
Percent of total household	12.93
Number of milking cattle	3874
Average price per milking cattle (Tk.)	19012
Household having improved/cross breed cattle	649
Percent of total household	2.26
Number of improved/cross breed cattle	1088
Percent of total cattle	4.06
Average price per improved/cross breed cattle (Tk.)	20980
Household having improved/cross breed milking cattle	180
Percent of total household	0.63
Number of improved/cross breed milking cattle	200

(Figure: '000')

Item	Weighted Figures
3. Household reporting buffalo	195
Percent of total household	0.68
Number of buffalo	544
Number of male buffalo	313
Number of female buffalo	231
Average price per buffalo (Tk.)	21705
Household having working buffalo	127
Percent of total household	0.44
Number of working buffalo	246
Average price per working buffalo (Tk.)	27889
Household engaged in fattening buffalo	7
Percent of total household	0.02
Number of fattened buffalo	7
Average price per fattened buffalo (Tk.)	18271
Household having milking buffalo	38
Percent of total household	0.13
Number of milking buffalo	48
Average price per milking buffalo (Tk.)	26457
4. Household reporting goat	6387
Percent of total household	22.25
Number of goat	16242
Number of male goat	7274
Number of female goat	8968
Average price per goat (Tk.)	1506
Household having improved breed goat	102
Percent of total household	0.35
Number of improved/cross breed goat	197
Percent of total goat	1.21

(Figure: '000')

Item	Weighted Figures
5. Household reporting sheep	464
Percent of total household	1.62
Number of sheep	1221
Number of male sheep	553
Number of female sheep	668
Average price per sheep (TK)	1464
Household having improved breed sheep	5
Percent of total household	0.02
Number of improved/cross breed sheep	5
Percent of total sheep	0.41
6. Household reporting pig	101
Percent of total household	0.35
Number of pig	326
Number of male pig	144
Number of female pig	182
Average price per pig (TK)	2341
7. Household reporting fowl	15542
Percent of total household	54.13
Number of fowl	112429
Average price per fowl (TK)	106
Household having improved breed fowl	126
Percent of total household	0.44
Number of improved breed fowl	167
Percent of total fowl	0.15
Average price per improved breed fowl (TK)	241
8. Household reporting duck	8501
Percent of total household	29.61
Number of duck	42286

Item	Weighted Figures
Average price per duck (TK)	111
Household having improved breed duck	313
Percent of total household	1.09
Number of improved breed duck	710
Percent of total duck	1.68
Average price per improved breed fowl (TK)	302
9. Household having family labour for taking care of livestock & poultry	12122
Percent of total household	42.22
Household having hired labour for taking care of livestock & poultry	587
Percent of total household	2.04
