

SAMPLE SYLLABUS

Main Topic: Action Planning for Improving Statistics on MDGs

Training Goal: To introduce to participants the use of the logical framework analysis approach in developing an actionable plan for improving the capacity of national statistical systems for providing timely and accurate data for MDGs	Sub-topics <ol style="list-style-type: none">1. Introduction to Logical Framework Analysis (LFA) as basis for Action Planning<ol style="list-style-type: none">1.1. Overview of Results-based Management Principles1.2. Problem & Objective Trees Analyses1.3. Elements of a Strategic Plan1.4. The LFA Matrix2. Formulating the Results-Chain for the LFA3. Formulating the LFA Matrix as Initial Step in Applying LFA to Action Plans for Improving Statistics for Monitoring MDGs
Total Duration: 4 hours	
Target participants <ul style="list-style-type: none">• Senior level statisticians, planners and key users of statistics who have key responsibilities in the preparation of MDG reports, especially the provision of statistics and the use of statistics for measuring progress towards achieving the MDGs	
Training Sessions: <ul style="list-style-type: none">▪ Session One- Results-based Management and Logical Framework Analysis▪ Session Two- Results-chain and Strategic Planning▪ Session Three- LFA Matrix and Action Planning	
Training Materials: <ul style="list-style-type: none">▪ PowerPoint Presentation slides▪ Group Instruction Sheets

SAMPLE Sessions Plan

Topic	Session	Duration	Learning Objectives:	Training Techniques/ Participant Activity	Training Materials and Aids
1	One	1 hour	At the end of the session, participants will be able to--	<ul style="list-style-type: none"> ■ Explain the Logical Framework Analysis (LFA) and LFA matrix tool which can be used to develop action plans 	<ol style="list-style-type: none"> 1. Asking participants to share their experiences in the use of LFA as well as questions they may have and note them on a flip chart (15 minutes) 2. Presentation/ discussion using PowerPoint slides (40 minutes) 3. Wrap-Up referring back to the questions raised earlier (5 minutes)
2	Two	1 hour	Identify the different levels of results imbedded in an action plan	<ol style="list-style-type: none"> 1. Introduction to the Session using PowerPoint slides (15 minutes) 2. Group Work (45 minutes: 30 for group work and 15 for presentation.) 	<ul style="list-style-type: none"> ■ Copies of Action Plans & Presentation cards & Kraft paper sheet ■ Group Instructions Sheet ■ PowerPoint slides

SAMPLE Sessions Plan

Topic	Session	Duration	Learning Objectives:	Training Techniques/ Participant Activity	Training Materials and Aids
3	Three	2 hours	At the end of the session, participants will be able to...	<ul style="list-style-type: none"> ■ Complete an LFA Matrix ■ Understand how an action plan can be strengthened by developing an LFA Matrix <p>Energizer (10 minutes) Group Exercise</p> <ul style="list-style-type: none"> ■ (60 minutes) Using the revised LFA Matrix with the finalized Narrative summary, the groups (same as above) will complete the LFA Matrix by (1) filling the last column of the LFA Matrix identifying the risks and assumptions, the second column of the LFA Matrix identifying the Objective Verifiable Indicators (OVI) and the third column of the LFA Matrix indicating the Sources of Verification (SOV) ■ (50 minutes) The completed LFA Matrices will be shared with other groups in a plenary session. Trainer and participants will comment on contents and formulation of the matrix. 	<ul style="list-style-type: none"> ■ Presentation cards & Kraft paper sheet (from session two) ■ Group Instructions Sheet
