## NSC needs to improve the collection, processing, analysing and interpretation the gender statistics

## Strengthening the capacity of the NSC to collect Tier II and Tier III indicators of SDGs

## Plans

In the population census questionnaire, include SDG indicators and a set of questions on limited health opportunities (disability);

Continue to complete the collection of «Women and men», taking into account the SDG indicators;

Participate in sample surveys to produce gender related statistics;

Improve the section «Gender Statistics» on NSC website

Transition from paper to electronic, acts of civil status and coupons for migration (AIS "Registry Office" and "ASB").

**Thank you**
