Next steps for the SGGST

Finalize repository
- Participants enter details on repository (December 2019)
- Repository published (January 2020)

Finalize draft chapters
- Syllabus, PPT, Exercises, Quiz, Links
- By 31 December final drafts

Peer review
- Among Members of Subgroup (by 15 Jan)
- Among UN colleagues (by 31 Jan)
- Materials online (early Jan)

Test materials
- TOT for SGGST members (Feb 2020)
- TOT for Pacific (April 2020)
- TOT for UN Women (Jan, April 2020)

Next steps for the SGGST

Other training
- Integrate GST Curriculum materials in Crime training (May 2020)
- Targeted training on thematic areas (June 2020)
- Training for Russian speaking countries (Q3 2020)

Advocacy strategy
- Letter from UN Women to national countries (TI, NSO, Academia) (February 2020)
- Advocacy strategy from each counterpart to begin (Feb 2020)

Academia & Journalists
- Integration of GST in academic curricula for Spring Semester (May 2020)
- Engagement of students for blog/news stories (Feb 2020)
- Training and publication of data products (May-June 2020)

National governments
- National training institutes to begin implementation (March 2020)
- Calendar of trainings with resources (March 2020)
- First reporting of Results (December 2020)

Expected outcomes

- Overall awareness of the importance of gender statistics for statisticians and non statisticians

- Availability of training materials for everyone to use

- Availability of a graded repository of expert trainers for people to draw from

- Enhanced availability of gender data

- Enhanced gender-informed national policies

- Enhanced use of gender statistics for news stories and other media materials

- Enhanced understanding of gender statistics amongst civil society and the general public

- Increased number of academic institutions that train students on gender statistics (beyond students of statistics)
