

# **ASEAN Community Statistical System (ACSS): Efforts on The Implementation of 2025 SNA**

**Statistics Division of the ASEAN Secretariat  
(ASEANstats)**

Webinar on the 2025 System of National Accounts (2025 SNA) Implementation  
08 July 2025

# 1. Guideline for the Improvement of National Accounts in ASEAN Member States (AMS)

- The main objective of the guideline is to provide strategic, tactical, and practical guidance for the improvement of national accounts compilation in AMS.
  - ✓ Milestones and strategies for the development of national accounts, including the implementation of 2008 SNA and transition to 2025 SNA
  - ✓ Priorities for the next steps in the development of national accounts for AMS.
  - ✓ Define the national accounts indicators and metadata to be collected and disseminated at ASEAN level.
- Periodic monitoring on:
  - ✓ Progress and achievement related to milestone
  - ✓ Minimum Requirement Data Sets (MRDS)
  - ✓ Conceptual compliance
  - ✓ GDP, SUT, and Satellite Accounts compilation

## **2. Implementing ASEAN-Help-ASEAN Framework for capacity building**

- From one AMS to another/others
- Utilising expertise available in AMS
- List of needs and expertise is updated regularly
- Utilising virtual academy (under development)

## **3. Supports from development partners and international organisations**
