

Webinar series on the 2025 SNA Implementation

International Support

Mr. Alick Mjuma Nyasulu

Statistician, ESCAP Statistics Division

2025 SNA Implementation

- Identifying 2025 SNA priority topics (before and on going)
- Joint development of 2025 assessment tools with IMF/World Bank/UNSD etc
- Provision of platforms to share and exchange knowledge by countries
- Raising global awareness on Asia-Pacific specific issues through the Network of Economic Statisticians
- Continued themed webinars/Stats cafes on 2025 SNA and related topics

Country Specific Needs

- Potential for case by case need dependent on financial resource availability
- Exploring collaboration with other partners
- Country specific requests to ESCAP Executive Secretary
