

5TH REGIONAL TRAINING ON NSDS AND ADAPT

6 – 9 November 2018
SIAP, Chiba, Japan

0. Overview of Training Course

General Objective

- Strengthen capacity of NSOs and national planning agencies to undertake strategic planning for statistical development (NSDS);
- Introduce the NSDS processes and the ADAPT tool to aid in the following areas in response to data needs from national development plans and the Sustainable Development Goals (SDGs):
 - policy and statistics coherence
 - coordination of the NSS
 - identifying data gaps

Specifically

- Review strategic planning concepts related to NSDS (i.e., results-based management framework and process in designing and implementing the NSDS) www.paris21.org/nsdsguidelines
- Introduce the concept of data planning and the Advanced Data Planning Tool (ADAPT); understanding its purpose and benefits <http://www.paris21.org/node/2905>
- Hands-on exercise to input country information in the ADAPT system to simulate the generation of preliminary reports on data gaps vis-à-vis national development framework

PARiS21

Expected results

- **Participants** understand the NSDS process and the ADAPT tool and its relation to national development plan and SDGs:
 - The **National Statistical Office (NSO)** appreciates its *leading and coordinating role* and its *accountability* in developing, implementing and monitoring the NSDS
 - The national development planning agencies appreciates its *role* and *contributions to generating the needed data to inform policies and decisions*, and its important inputs in the NSDS making use of the ADAPT tool
 - The NSDS is seen as a permanent statistics governance mechanism and ADAPT tool as a value-added to national planning process

PARiS21

Course Agenda

Training has 6 Modules over 4 days:

Day 1

Module 1: Setting the stage

Module 2: NSDS Process

Module 3: Thematic Concerns in the NSDS

Day 2

Module 4: Innovation and change management in official statistics

Module 5: Data Planning and Advanced Data Planning Tool (ADAPT)

Day 3-4

Module 6: Practicing ADAPT

[Agenda](#)

Housekeeping

- Training sessions start at **9AM, from day 2 to 4** (7-9 November)
- 15 mins. coffee/tea break in AM/PM
- Lunch at 12nn (1 hour); SIAP cafeteria or outside
- Cocktails on Day 3 at 4:45PM
- Group photo on Day 4
- Closing programme on Day 4 at around 13:45PM
- Wifi access is available
- Courtesy in mobile phone use and internet access
