

# Regional Course on SDG Indicators: Measuring Decent Work

Bangladesh

## What we are doing

66 tier 1 , 69 tier 2 data and 109 data required to generate

- Child Labour Survey
- Labour Force Survey
- Hazardous Child Labour Survey
- Fatal and Non-fatal injury records (Administrative data)
- List of Trade unions and list of the members of unions (administrative data)
- National Survey on Income Accounts
- National Youth Strategy
- Household Income and Expenditure Survey
- National Establishment Survey
- A SDGs wing in BBS

## Our Planning

- Cost of Migration Survey has been started
- Migration status will be considered on next LFS
- 20<sup>th</sup> ICLS will be followed
- Persons with disability module will be included on next LFS
- Force labour guideline will be followed for next child labour survey
- Studies on Informal employment will be conducted

**THANK YOU**
