

# Labour Account – Work group Exercise

**Manpreet Singh (Senior Statistician) - International Labour Organization**

Country Course on Labour Accounts in Malaysia

14 – 18 October 2019, Perak, Malaysia

# Exercise 1 - Building Blocks to developing a Labour Account for Malaysia

Break into three groups to discuss and report back on the following:

- What are the benefits of having the labour account?
- How are the main potential users of the account?
- Who holds the data sources needed?
- What level/type of skills and systems will be needed?
